Doc. version: June 2025

Att. to the new member:

Scan the QR code with mobile phone and pay with credit card. Use this QR CODE **only** for new memberships.

The “Greek Museum of Adelaide Inc.” is a not-for-profit association, established in May 2019 (Registration Number: A43958). The purpose of the Museum is to promote and preserve the Greek culture in Australia. It is proposed the new museum hosts exhibitions of traditional artefacts from Greece spanning pieces from antiquity to items from more recent times, including collections of coins, traditional costumes, and musical instruments. The Museum doesn't have a permanent building yet. We are planning our exhibitions in lending halls.

The primary objects of the Greek Museum are:

- 1) To establish and operate a museum and information resource centre open to the public for the benefit of the South Australian community.
- 2) The collection, preservation, restoration and display of documents and memorabilia relating to family and migration history and genealogy of Hellenes to Australasia, traditional objects, heirlooms and memorabilia with Hellenic origin or association, including but not limited to, costumes and uniforms, woven fabrics, tools, replicas of archaic art and other objects that, in the opinion of the Committee, are worthy of retention and display within the Greek Museum.
- 3) To establish and operate a reference and library and research centre focusing on Hellenism including, but not limited to, historical photos, maps, books, and other publications.
- 4) To promote, encourage and foster the study, education, research, and knowledge of Hellenism.

You can also contribute to the Museum in one of the following ways:

- Register as a member of the Museum.
- Voluntary contribution to the Museum's activities.
- Donating objects or money to the Museum.
- Talk to a friend about the existence of the Museum.
- Register to Museum's Newsletter
